TRAVEL CHARGES

We're Happy to Travel!

Our team proudly works all over Oregon and Washington. We have even been flown out to other states to complete requested shoots. We're happy to accommodate any of your travel needs. Give us a call and tell us about your project and we will put together an estimate.

Jobs outside of the Portland Metro area are subject to additional fees for the time and mileage our photographers drive to your shoot location.

We've set these charges to reimburse our team members for their time, gas, and wear and tear on their vehicles. Travel fees are non-negotiable.

We look forward to working with you!

Regular Travel Fees

- The first 50 miles (round trip) driven are always on us! No matter where the photoshoot is.
- \$0.70/mileage fee outside of 50 miles from Happy Valley (Roundtrip) - If you have a property outside of our service area we will happily photograph it. Call for an exact quote.
- Any photoshoot that is outside of a 50-mile radius of Happy Valley will be subject to an additional \$75 fee.
- Any photoshoot that is outside of a 75-mile radius of Happy Valley will be subject to an additional \$100 fee.
- Call us at (971) 295-1676 for travel estimates.

Long Distance Travel Fees

- Any booking that is scheduled outside of a 100-mile radius will be a custom quote. Please call us and we will do our best to accommodate your needs.
- Please note that if drive time + shoot time is 8 hours or more, it will constitute an overnight stay for our photographer. We will be happy to give you a quote or answer any questions you may have!
- Travel costs, if any, are to be paid upfront prior to your appointment.
- *Split the difference* - if you know of another agent who needs a shoot in the same area as yours we will gladly split travel fees between agents for multiple appointments.
